ERRATUM

In Wilhelm G. Solheim II's article entitled "The "New Look" of Southeast Asian Prehistory", on page 13, second paragraph, line 7, for the "... second century B.C....", please read the "... first century A.D....".
Most banks offer the same services. But not many are like The Chartered. For when you bank with The Chartered you are confident in the knowledge you are dealing with a bank that has branches and correspondents world-wide. And that's a good feeling.

Serving Thailand and the World

For more than a century, the scope of The Borneo Company’s activities has assisted in bringing higher standards of living to the people of Thailand. Today, the company’s operations play an important part in practically all fields of Thailand’s commercial and economic development, thereby continuing their traditional close links with the country’s progress.

In this second century of progress, The Borneo Company aggressively pursues new developments and employs modern techniques backed by intimate market knowledge to supply even better services and products for the growing needs of the Thai consumer.

For supreme occasions
The Regent Room

Take all of these. Let the design flair of Baron Francois DuHau de Berex combine them after the grand manner of the Palais Versailles and the Court of St. James. Add the gastronomic virtuosity of Gerard Musset, and place them overlooking a torchlit courtyard terrace beside the River of Kings.
The result is The Oriental's sumptuous new locale for select banquets and intimate receptions. For those most important of occasions when only superlative standards of fastidious perfection in surroundings and service can possibly be good enough.
We bring you, with pride, The Regent Room.
