WANDMALEREIEN IN THAILAND
A bibliophile collector's edition in three volumes
with a foreword by H.H. Prince Dhaninivat

The English edition
MURALS IN THAILAND
will be published approximately May 1976

The author comments: "The truly unequalled quality of the reproductions of Thai mural paintings in this edition provides invaluable material for the study of Thai art. These reproductions are so extraordinarily faithful to the originals that they more than adequately serve even the academic purposes of those who have no direct access to them."

The edition "Murals in Thailand", the first publication of this scope on an art form which has almost fallen into oblivion, is remarkable in more than one way. The depth of the author's research and the presentation of the mural paintings and the accompanying text together evidence the highest levels of readable scholarship and bookmaking as an art. As the gradual decay of the murals remains largely unchecked due to the tropical climate of Thailand, the emphasis placed on faithful reproduction makes these volumes a documentary work of the first order. The erudite descriptions and commentary by the author demonstrate a wealth of knowledge and provide a judicious selection of factual information on the subject, which render the edition invaluable to any connoisseur and serious student of Thai art.

Volume I: text with pages numbered I-LXXIV and 1-356; Volume II: consisting of two separate books: the first with pages numbered 1-121 and with plates numbered I-CIX, the second with pages numbered 122-222 and plates numbered CX-CC. The 208 large-size colour plates were printed in 4-5 colours with selected inks on high-quality paper made to order, with official certificates on the materials used.

Sizes: Volume I: 28 x 36 cm, the two books of Volume II: 45 x 55 cm.
Subcription offer: until the end of 1976: sFr. 5,750.-, thereafter sFr. 6,750.-
