Acknowledgments

The Siam Society wishes to express its appreciation to Mr. Pitya Bunnag, who served as Honorary Editor of the *Journal of The Siam Society* for the two years 1995 and 1996 and who selected the articles appearing in this issue.

Our great thanks also to Dr. Chris Baker, a member of the Council for 1996–1998, who provided key editorial assistance for most of the articles included in this volume, but who is entirely blameless for the subsequent delay in its production. The Society sincerely regrets any inconvenience caused to contributors, members, subscribers and readers because of the late appearance of this issue.
